

## 2016-2017 Verification of Other Untaxed Income Worksheet

Your 2016–2017 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you (and your parents if you were required to provide parental information on the FAFSA) reported on your FAFSA. To verify that you provided correct information RMC will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You (and at least one parent if you were required to provide parental information on the FAFSA) must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the RMC Financial Aid office. We may ask for additional information. If you have questions about verification, please contact us. **Verification must be completed no later than 14 days prior to the end of the first semester of enrollment. No federal loans or grants will be disbursed until verification is complete.**
