Two first half goals from set pieces contributed to a 3-1 loss this afternoon in Santa Barbara, CA. Rocky would reply in the 49th minute with a penalty kick from Junior Midfielder Nick Heffernan (Brighton, England) but it would not be enough as Oktay Bulut would finish the scoring in the 63rd minute.

“I thought we played very poorly in the first half but turned it around in the second. We created some good opportunities but needed to show a little more composure in front of goal. I am disappointed to give up a couple of goals on set pieces but I proud of the way the players responded in the second half” said Head Coach Richard Duffy.
