Westminster College of Utah would score in the 67th minute of play to give the Griffins a 1-0 win. Jace Maxfield would score the only goal of the game, finishing from close range into the roof of the net. Rocky would have a couple of great opportunities to tie the game but were denied twice by the woodwork.

Rocky would outshoot Westminster by a total of 8-7 in a game with very few quality scoring opportunities.

“I think Westminster deserved the win today. They outworked us all over the field in the first half and we were not able to create many good opportunities. Looking forward to a good week of practice before we play them again at home on Friday” said Head Coach Richard Duffy.
