A penalty kick in the 85th minute was enough to give the Jamestown College Jimmies a 2-1 win over the Battlin’ Bears. Jamestown would score early in the first half before midfielder Nick Heffernan (Brighton, England) would tie it up directly after half time. The winning goal would come after a Jamestown forward was fouled in the box and Dominic O’Connor would drill the ball down the middle of the goal for the win.

“We did not deserve to win today. We were outplayed all over the field and I am extremely disappointed with our performance. We will need to regroup before next game against Trinity Lutheran College” said Head Coach Richard Duffy.
