Goals from Oliver Gore (Stafford, England), Taylor Ita (Havre, MT) and James Voisey (Banstead, England) propelled the Battlin’ Bears to a 3-1 win this afternoon on Wendy’s Field. Gore would open the score, receiving a pass from Nick Heffernan (Brighton, England) and slotting the ball past the Westminster goalkeeper. Heffernan would be credited again with another assist, crossing the ball on to the head of Taylor Ita from a corner kick.

“Thought we played very well today. We controlled the ball for large periods of play and took our chances very well. We are starting to play well at the right time and hopefully we can take this momentum into our game against Mary on Sunday.” Said Head Coach Richard Duffy.
