Molly Lavin scored in the 4th minute of the first overtime period to give Azusa Pacific the 1-0 win. Azusa would dominate the match statistically but could not find a way past the Rocky goalkeeper Malin Johansson (Orust, Sweden). Rocky’s best opportunity came late in the second half when Junior defender Kendal Borgeson got on to a through ball that deflected off an Azusa defender and span past the left goalpost.

“I am extremely proud of how the girls battled against a very talented Azusa squad. These games will make us better as a team in the long run and it is important that we take the positives out of this match. Defensively we stuck to a game plan for 94 minutes and just ran out of energy at the end” said Head Coach Richard Duffy.
