Freshmen defender Chez Keehn (Billings, MT) scored her first collegiate goal this afternoon as Rocky battled to a 1-1 tie with Northwest University. Keehn would tie the game in the 87th minute from a corner kick from fellow freshmen Mandi Achten (Billings, MT).

Rocky would have a chance to win the game with a few minutes remaining as Achten would volley over from close range.

“Northwest put us under a lot of pressure today. Seemed like we had a hard time keeping possession throughout the game, however, I am proud of the way the girls continued to push for the tying goal. Chez thoroughly deserved her goal today and was very solid defensively. Hopefully we can learn from this experience and put in a better performance on Monday” said Head Coach Richard Duffy.
