ROCKY DOWNS WESTMINSTER, 1-0

An own goal in the 69th minute was enough to give the Bears a 1-0 win over the visiting Westminster Griffins. The goal would be scored after Sydney Galletti (Livermore, CA) flicked the ball back into the box after a Rocky corner kick. A Westminster player was credited with the goal. Rocky would outshoot Westminster by a score of 10-8 on the day in a tightly contested match.

“Today was a good win for us. We struggled with this team down in Salt Lake at the beginning of the year and I thought we played much better today” said Head Coach Richard Duffy.
