The Battlin’ Bears of Rocky Mountain College would lose their first game of the season in a 3-1 loss to Carroll College. Carroll would open the scoring midway through the first half, Macie Netz chipping the ball into the right corner of the net. Carroll would add two more in the second half before sophomore forward Jaelene Zygmond (Billings, MT) would reduce the deficit from a Montignani assist.

Rocky would outshoot Carroll by a margin of 16-7 but could only score on goal.

“I thought Carroll was the better team today. We had trouble creating any quality opportunities and had trouble dealing with their front players” said Head Coach Richard Duffy.

Rocky is now 12-1-2 on the season and will play the University of Great Falls on Friday. Game is scheduled for a 1pm kick-off.
