

ISEP – ISEP exchange programs allow you to go abroad for the same cost of your home university’s tuition, housing, and meal plan. Any scholarships, grants, or financial aid you receive will apply. ISEP offers many different places to study in Asia, Europe and South America. More information can be found at:

<https://www.isepestudyabroad.org/>

Spanish Studies Abroad -

Spanish Studies abroad allows students to study in Seville, Alicante, Barcelona, Cordoba, San Juan, and Havana. Each program emphasizes cultural and linguistic immersion and a deeper understanding of the study abroad experience. For more information visit:

<https://spanishstudies.org/>

AIFS - With over 50 years of experience, AIFS has the resources and experience to provide students with many opportunities of studying abroad. With universities all over the world, and having a semester, summer and january term, there are many options to choose from. For many information visit:

<https://www.aifsabroad.com/>

SFS - The School for Field Studies focuses on environmental research that is adventurous, invigorating, and fulfilling. This experience will allow you to study outside the classroom- literally doing science instead of just learning about it. This exchange has programs in South America, Africa and Australia. Visit:

<https://fieldstudies.org/> for more information.

Go Beyond Ordinary- American Councils

Ciee Semester Programs

There's a good reason spring is the most popular time of year to go abroad! For one, it's a great way to set the tone for a new year filled with adventure and exploration. And with almost 100 programs available around the world, you're sure to find plenty of both. Whether you're looking

for a quarter program or full semester, you'll find fascinating ways to add international experience to your spring coursework, not to mention, your resume.

Visit Here: <https://www.ciee.org/go-abroad/college-study-abroad/spring-semester-programs> for more information.

IES:

Studying abroad is more than going from here to there. It's an exhilarating challenge of academic and cultural immersion, plus a whole lot of fun. At IES Abroad we're committed to offering you incredible international

experiences that set you up for success before, during, and after studying abroad. Learn more by clicking on the link! [how we do study abroad, differently.](#)

**Be JYUNITED:**

The University of Jyväskylä is an internationally renowned research university. We are one of the largest and most popular multidisciplinary universities in Finland. We offer high-quality, research-based master's degree programmes in English. International students are welcome to apply to the two-year programmes, which lead to an officially recognised master's degree and qualify for doctoral studies. We also offer non-degree programmes and courses with instruction in English for exchange students in a variety of fields.
